2023 Bursary Information

Cobram Anglican Grammar School Bursaries have been established to provide educational opportunities for students who are hardworking, honest and determined but whose families are experiencing difficult financial times.

The philosophy behind the bursary program is based on providing opportunities for students who would derive great benefit from a Cobram AGS education but are unable to attend without financial assistance.

The level of bursary awarded is determined by the details provided in the application and are applicable to the 2023 school year.

Criteria and suggested evidence required:

- Personal Qualities (i.e. school reports or references)
 - Honesty
 - Trustworthiness
 - Punctuality
 - Cooperation
 - Impeccable behaviour
 - Endeavour in every subject or activity
- Make a positive contribution to Cobram AGS and the broader community
- Health Care Card
- Centrelink payment
- Medical records
- Evidence of financial hardship (i.e. financial statements, letter of support, pay slips, tax returns)

All bursary applicants are requested complete and submit the attached application form and signed 'Statement in Support'. Applicants should try to provide as much detail as possible, letters of support from accountants, bank managers, chaplains or other support services are highly recommended. The school acknowledges that making a bursary application can be uncomfortable for families, all information provided to the School is treated with respect and privacy. By gathering a thorough understanding of your circumstances, the School can be sure that we are allocating bursary funds to those who will truly benefit from them.

Cobram Anglican Grammar School recognises the value of having a diverse community of students contributing to the life of the school. Our bursaries are designed to help students, with potential, access the highest standard of education available.
