### **Bursaries**

Bursaries have been established to provide educational opportunities for students who have the potential to lead within the community, and who are facing financial hardship.

All Bursary applications must be submitted to the Business Manager. Negotiations will then take place with the Principal on an annual basis. Information and application forms are available from the school website [www.cags.vic.edu.au](http://www.cags.vic.edu.au) under the subheading of 'Enrolments'.

### **Camps, Sports and Excursion Fund (CSEF)**

CSEF is provided by the Victorian Government to assist eligible families to cover the cost of school trips, camps and sporting activities. Families who hold a valid means-tested concession card or are a temporary foster parent are eligible to apply for CSEF. Annual amounts are approximately \$125 for a primary student and \$225 for a secondary student. The allowance is paid to the school to be used for camp, sporting and excursion costs. Eligible families will have an adjustment made to the total camp/resource levy where applicable.
